Introduction

This policy booklet contains three (3) parts, your:

- Product Disclosure Statement;
- Policy Terms and Conditions; and
- Financial Services Guide.

Product Disclosure Statement (PDS)

The PDS is designed to help you understand what you need to know about Petinsurance.com.au so that you can decide whether to proceed with this cover. The PDS has been prepared by Hollard, who is the insurer and product issuer. Hollard has sole responsibility for the PDS, for each Petinsurance.com.au policy issued, and for the assessment and payment of claims. The PDS describes the main features and benefits of the Petinsurance.com.au policy. Any information contained in the PDS is general information only and does not take into account your individual objectives, financial situation or needs. Before acting on this general information, you should consider the appropriateness of the general information having regard to your individual objectives, financial situation and needs.

Policy Terms and Conditions

The Policy Terms and Conditions of Petinsurance.com.au have been written in plain language to help you understand the insurance cover offered, as well as an insured's rights and obligations under a Petinsurance.com.au policy. You should carefully read the PDS and the Policy Terms and Conditions in this booklet before making any decision about whether to purchase Petinsurance.com.au. Note that you have a cooling off period and certain cancellation rights.

Financial Services Guide (FSG)

The FSG contains important information about the services provided by Pet Insurance Pty Ltd and other persons or organisations listed in the FSG in relation to Petinsurance.com.au, how they are remunerated in relation to the services offered, and their internal and external dispute resolution procedures. Frequently Asked Questions*

Q. What vet expenses am I covered for?

A. You are covered for eligible Vet Expenses for the Conditions outlined on page 19. These are;

- cancer;
- feline lower urinary tract disease;
- Gastrointestinal problems;
- ingestion of a foreign object;
- diabetes;
- hyperthyroidism;
- heart disease; and
- renal disease.

Q. What percentage of my vet expenses am I covered for?

A. We will reimburse you the Benefit Percentage selected by you which will be shown on your current Certificate of Insurance.

For example, for an 80% Benefit Percentage we will reimburse you up to 80% of the eligible Vet Expenses (Benefit Limits and sub-limits may also apply).

Q. What waiting periods apply?

A. The Waiting Periods that apply are:

- 30 days - for Conditions covered under the Illness section of the policy except;
- 6 months - for cancer Conditions.

Q. What is a Pre-existing Condition?

A. If any symptoms or signs of a Condition occur or the Condition exists in any form prior to insurance or during the applicable Waiting Period, then it will be considered to be a Pre-existing Condition and it will not be covered (refer to the 'Pre-existing Condition' definition on page 18).

For example, if your pet shows first signs of cancer prior to insurance or within the Waiting Period, then cancer will be considered as Pre-existing and all expenses incurred for cancer will not be covered.

Q. Will I have lifelong cover for my pet?

A. Once your pet is accepted and as long as you continue to renew your policy, your pet will be covered for eligible Vet Expenses for life. You can apply for Indoor Cat Cover as long as your cat is over 8 weeks old and younger than 9 years.

Q. What exclusions apply?

A. As with most insurance products, there are certain situations where you will not be covered. It is important that you read all of your policy documentation for full details (including the General Exclusions on page 24).

* Information about insurance coverage in this section is a summary only. You should read the Combined PDS, Policy Terms & Conditions and FSG for full details of Terms and Conditions, Waiting Periods and Exclusions.

Product Disclosure Statement

Hollard is solely responsible for the PDS and is the insurer under each Petinsurance.com.au policy issued. PetSure has been given a binding authority by Hollard which authorises it to enter into, vary and cancel Petinsurance.com.au policies on behalf of Hollard as if it were Hollard, subject to the limits of authority agreed with Hollard. PetSure does not act for you. Pet Insurance Pty Ltd is authorised to distribute and promote Petinsurance.com.au but does not issue policies and is not involved in the assessment or payment of claims.

This PDS contains important information about:

- significant features and benefits of Petinsurance.com.au;
- your Duty of Disclosure when applying for Petinsurance.com.au;
- our internal and external dispute resolution procedures; and
- your cooling off rights when purchasing Petinsurance.com.au.

Please note that, while this PDS provides a summary of the significant features and benefits of Petinsurance.com.au, you must also read the Policy Terms and Conditions in this booklet to understand the insurance provided (including what terms, conditions, exclusions and limitations may apply to your Cover).

Sometimes we need to change the wording of the policy before it is issued to you because your insurance varies depending on a number of factors. We do this by adding what is called an endorsement. You will find any endorsements that apply to your policy printed on your Certificate of Insurance.

We may need to update this PDS from time to time if certain changes occur and where required by law. If the change results in a material change from the PDS you hold, we will provide you with a new PDS or supplementary PDS.

Protection for your pets

This Petinsurance.com.au Indoor Cat Policy is designed to provide affordable protection against eligible Vet expenses. We recognise that cats who stay and play indoors are less likely to suffer accidental injuries ...so why pay for cover you don't need? If your circumstances change, and your cat requires further protection against unexpected accidental injuries, please call us to discuss some broader cover options.

Subject to the terms, conditions, exclusions and limitations that apply to your Cover (as set out in this document), the Petinsurance.com.au policy provides:

- financial protection for Vet Expenses in respect of the insured Pet resulting from one or more of the stated Illnesses occurring or first showing clinical signs within the Policy Period and after any applicable Waiting Period; and
- cover for eligible Vet Expenses for these stated illnesses (as well as allowing you to use the services of any Vet in Australia and, in some cases, overseas).

'Vet Expenses' are defined in Section 1 - Definitions on page 17 and may be subject to stated limits and applicable Waiting Periods.

Understanding the limits of the insurance

Petinsurance.com.au transfers many of the financial risks pet owners face for Vet Expenses from the insured to the insurer. However, Petinsurance.com.au does not cover every circumstance or expense and we have certain terms, conditions, exclusions and limitations that help keep premiums low.

Coverage under this policy is restricted to the following diagnosed Conditions:

- cancer;
- feline lower urinary tract disease;
- Gastrointestinal problems;
- ingestion of a foreign object;
- diabetes;
- hyperthyroidism;
- heart disease; and
- renal disease.

It is to be noted that you are not covered for any medical conditions that are present or that you were aware of (or that a reasonable person in your circumstances should have been aware of) prior to the policy Commencement Date or that arise during the applicable Waiting Period. Maximum monetary limits also apply to the benefits payable in any one Policy Period. These are called the Benefit Limit and can vary depending on the relevant cover.

Full details are specified in the Policy Terms and Conditions (pages 15 to 32).

Your Duty of Disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, which may affect our decision to insure you and on what terms. You have this duty until we agree to insure you. You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Calculating your premium

Your premium is calculated when your Petinsurance.com.au policy begins, and at each policy anniversary (and if you vary or extend cover) and is printed on the relevant Certificate of Insurance.

The premium is calculated based on a number of factors. Some are pre-set and don't vary for each insured (e.g. amounts we take into account for certain internal costs and expenses). Others can affect the premium amount up or down depending upon whether we believe it increases or decreases the risk to us, such as the Cover you have chosen, Benefit Percentage applicable to the Cover you have chosen, where you and your Pet permanently live and the species, breed and age of your Pet. The amount you pay includes allowances for government fees, taxes and charges (including stamp duty and GST). You can ask us for further information.

Minimum premiums and discount/entitlements may apply, subject to certain criteria. Discounts/entitlements/premiums may be rounded up or down and only apply to the extent any minimum premium is not reached. They are also applied in a predetermined order (excluding amounts for government taxes and charges) as reduced by any prior applied discounts/entitlements. They are applied to the base premium calculated prior to any taxes being added.

30 day cooling off period

You have a full 30 days from the policy Commencement Date (or any renewal date) to make sure you are happy with every aspect of your Petinsurance.com.au policy. This is known as the "cooling off" period. During this time you may cancel the policy simply by contacting us. If we receive your request to cancel your policy within the 30 day period after the policy Commencement Date (or any renewal date), we will give you a refund of any monies received since commencement or renewal, less any transaction costs incurred by us, which we are unable to recover and any taxes or duties that we are unable to refund.

You cannot return your Petinsurance.com.au policy if you have exercised any of your rights or powers under the policy (e.g. you have made a claim) within the 30 day cooling off period. After the cooling off period ends you continue to be able to cancel your policy and you have rights upon cancellation in certain circumstances under the policy. These rights are set out in Section 7 - Cancellations on page 28.

Financial Claims Scheme and Compensation Arrangements

Hollard is an insurance company authorised under the Insurance Act 1973 (Cth) (Insurance Act) to carry on general insurance business in Australia by the Australian Prudential Regulation Authority (APRA) and are subject to the prudential requirements of the Insurance Act.

The Insurance Act contains standards designed to ensure that, under all reasonable circumstances, financial promises made by us are met within a stable, efficient and competitive financial system. Because of this we are exempted by the Corporations Act 2001 (Cth) from the requirement to meet the compensation arrangements Australian Financial Services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of that Act. We have compensation arrangements in place that are in accordance with the Insurance Act.

If we were to fail and were unable to meet our obligations under your policy, a person entitled to claim under insurance cover under the policy may be entitled to payment under the Financial Claims Scheme (access to the Scheme is subject to eligibility criteria). Information about the Financial Claims Scheme can be obtained from the APRA website at www.apra.gov.au and the APRA hotline on **1300 558 849**.

Authorised for issue

This PDS including the Policy Terms and Conditions was prepared by Hollard. Pet Insurance Pty Ltd and PetSure have given their consent to all statements by or about them in the form and context in which they are included and have not withdrawn as at the date of the PDS. These statements appear throughout the PDS.

Nothing fishy here.

Policy Terms and Conditions

The [Petinsurance.com.au](https://www.petinsurance.com.au) policy

Upon acceptance of application for your Cover, you will be issued a Certificate of Insurance. We will issue a new Certificate of Insurance:

- on renewal of your policy each year; or
- if you or we change your Cover.

Your policy will continue for a period of twelve (12) months from the policy Commencement Date unless cancelled by you under the cooling off period as explained on page 9 or cancellation provisions of the policy as explained in Section 7 - Cancellations on page 28. We also have certain cancellation rights at law. For your convenience and to ensure continuity of cover for your Pet, we will automatically renew your policy each year, (refer to the "Automatic renewal of your policy" section at the bottom of this page).

Your policy comprises of the Certificate of Insurance, PDS, Policy Terms and Conditions, FSG and any endorsements issued by us from time to time.

The basis on which we insure you

Subject to the Terms and Conditions of the policy, we will reimburse the Vet Expenses incurred by you as a result of a Treatment to the insured Pet for covered stated Illness Conditions up to the specified Benefit Percentage, but subject to any applicable Benefit Limit, provided that:

- you have paid or agreed to pay the premium to us for the Cover provided;
- the Illness Condition arose during the Policy Period;
- the Treatment occurred during the Policy Period; and
- the Illness is one of the stated Illness Conditions in Section 2, on page 20.

Where we agree to provide Cover under the policy we rely on the representations made by you during your application for insurance.

Additional and optional benefit(s) may also be provided if specified on your Certificate of Insurance. Cover under the policy will depend on the level of Cover you have chosen.

Automatic renewal of your policy

We will advise you regarding renewal of your policy prior to the expiration of the current policy. We may change the terms and conditions of the policy upon renewal to reflect the portion of the risk associated with insuring your Pet based on factors such as (but not limited to) your Pet's age, location and medical history.

Unless otherwise notified, your Cover will be automatically renewed on the terms contained in the renewal offer and we will deduct/charge the renewal premium from your nominated account/credit card unless you tell us not to. If the account/credit card is not yours, you confirm you have the authority of the relevant person to use it and they have agreed to these terms. We require you to notify us in writing should you decide not to renew your policy.

Should you renew your policy you must tell us if the information you have previously supplied is incorrect or incomplete in order to comply with your Duty of Disclosure. If you do not we may reduce or refuse to pay a claim or cancel the policy.

Delivery of your policy documents and policy related communications

Unless you tell us otherwise or we tell you it is no longer suitable we will send your policy documents and policy related communications electronically. This includes email and/or other methods of electronic communication. You will need to provide us with your current email address and your mobile phone number. Each electronic communication will be deemed to be received by you on the transmission date recorded in our systems. Where we deliver your policy documents and policy related communications by mail in printed form all such communications will be deemed to have been successfully delivered once mailed by us to your last notified postal address.

Some important things you should know

Benefits do not accumulate across Policy Periods. The policy benefits will expire at the end of each Policy Period.

Your rights and duties under the policy cannot be transferred without our prior written consent.

It is a Condition of Cover that your Pet must regularly reside with you and be under your regular care and supervision at the physical address you provided to us.

I'm the most interesting thing on this page...

Section 1: Definitions

When interpreting these Policy Terms and Conditions:

- references to the singular include the plural and vice versa, and to the masculine include the feminine and vice versa; and
- monetary references are in Australian dollars.

Words that are capitalised have the special meaning explained below:

Benefit Limit(s) means the applicable total amount payable under your policy in relation to the relevant Cover as specified in your Certificate of Insurance (determined as follows);

- if a specified limit or sub limit for a particular Cover, item, Condition or Treatment on an individual or per claim basis is specified to apply in the Certificate of Insurance, we will not pay more than that amount (subject also to the following annual limits and sub limits not having been exceeded); and
- we will never pay more than the overall annual benefit level specified in your Certificate of Insurance, unless a special annual limit or annual sub limit is specified as applicable to the particular Cover, item, Condition or Treatment (in which case the lesser annual limit or annual sub limit will apply).

Benefit Percentage means the stated percentage of each claim for eligible Vet Expenses for which we will reimburse you, subject to any applicable Benefit Limits.

Note: The applicable Benefit Percentage will be shown on your Certificate of Insurance.

For example: for a 80% Benefit Percentage we will reimburse you for 80% of the eligible Vet Expenses, subject to Benefit Limits. Refer to page 31 for an example of how claim payments are calculated.

Certificate of Insurance means the relevant certificate we provide outlining the key details of the contract of insurance between you and us, and identifying the policy number, Commencement Date, Cover End Date, insured Pet, schedule of benefits including Benefit Limits.

Commencement Date means 23h 59min on the date when Cover for your Pet first started as shown on your Certificate of Insurance.

Condition means any manifestation of an Illness.

Cover means

- Indoor Cat Illness Cover; or

Note: The Cover applying to your Pet is shown on your Certificate of Insurance. The Cover includes the Additional Benefits explained in Section 3 on page 21 and if selected the Optional Benefit explained in Section 4 on page 23.

Elective Treatment means a Treatment or surgery that is beneficial to your Pet but is not essential for your Pet's survival or does not form part of the Treatment for a Condition. Refer to Section 5 – General Exclusions on page 24.

End Date means 23h 59min on the date upon which your policy terminates and benefits cease. Note: The End Date is shown on your Certificate of Insurance. If the policy is cancelled, then the date of cancellation will be deemed to be the End Date.

Gastrointestinal Problems means any primary gastrointestinal Condition affecting the oesophagus, stomach and/or intestines.

GST means the Australian Goods and Services Tax at the officially published tax rate.

Illness means a disease or Condition specified in Section 2.1 – ‘What we will pay’ on Page 20.

Pet means the cat covered under the policy and named on your Certificate of Insurance.

Policy Period means the time during which we provide Cover as specified on your Certificate of Insurance.

Pre-existing Condition means any Condition(s) or symptoms or signs of that Condition occurring or existing in any form prior to the Commencement Date or during any applicable Waiting Period. Including but not limited to:

- a Recurring Condition
- latent infectious Conditions that manifest within a known incubation period indicating clear evidence that the Condition had existed prior to the Commencement Date;
- any Condition in remission at the time of the insurance application;
- any seasonal Condition;
- Conditions currently or previously being controlled by medication(s);
- and whether or not diagnosed or treated by a Vet. (If your Pet has a Pre-existing Condition, please also refer to definitions for a “Related Condition”).

Recurring Condition means a Condition that is curable but may relapse repeatedly with intervals of remission in between.

Related Condition means a Condition that even though it has shown first signs or symptoms during the Policy Period (outside of the Waiting Period), is considered to be a Pre-existing Condition if it has the same clinical symptoms, diagnostic classification or results from the same disease process as a Pre-existing Condition regardless of the number of areas of your Pet's body affected.

For example: if your Pet suffers from Lymphoma (Cancer) in its legs prior to the Commencement Date of the policy or during the Waiting Period, all future occurrences of Lymphoma (for example in the neck), will be considered to be Related Conditions and will not be covered.

Routine Care means stated benefits provided for certain listed preventative healthcare treatments for your Pet. The list of allowable treatments and the benefit amounts applicable to these are shown on your Certificate of Insurance.

Vet means any veterinarian, veterinary specialist, animal hospital, animal clinic, or animal surgery, other than yourself, who is licensed in and currently registered in Australia.

Section 6: Premiums

Cover under the policy is provided on the basis that you have paid or agreed to pay us the premium for the Cover provided. The amount you pay is shown on your Certificate of Insurance and includes all premium, administration fees, commissions and any applicable government taxes, fees and/or charges.

6.1 Paying your premium

1. The premium is payable when you take out a new policy and when you renew your policy.
2. You may choose to pay the premium:
 - annually by credit card or direct debit; or
 - monthly or fortnightly by instalment by credit card or direct debit.
3. When premiums are paid monthly or fortnightly by instalment, claims are paid on the basis that you agree to pay the remaining premiums for that Policy Period. If you pay your premium by instalments, you may be charged a collection fee.

Note: If we accept and pay a claim under the policy, we may deduct the balance of any outstanding premium from the claim payment.

6.2 Paying on the due date

1. Your policy will not operate until you have paid your premium (or your first instalment if you have elected to pay by instalments).
2. Your premium must be paid on or before its due date.
3. If you don't pay a premium instalment by the due date then:
 - if the unpaid premium remains in arrears for more than thirty (30) days we may cancel your policy without notification;
 - if at least one instalment has remained unpaid for a period of at least fourteen (14) days then we may refuse to pay your claim/s; and
 - we may charge you a dishonour fee.
4. If we cancel your policy due to non-payment of an instalment premium you need to be aware that:
 - no benefits or entitlements can be paid under the policy.
 - You may be refused cover in the future under any policy administered by PetSure, and
 - any application for general insurance products in the future may be affected because you had a policy cancelled as a result of unpaid premiums.

Section 7: Cancellations

7.1 Cancellation by you

You may cancel your policy at any time by giving us notice in writing of your intention to do so. The cancellation will be effective at the time the notice of cancellation is received by us.

We will only accept notices of cancellation given in writing and signed by you. We will not accept cancellation requests by telephone or email unless agreed to by us. If you cancel your policy for any reason (other than your pet passing away) you will be charged a cancellation fee.

If you return your policy during the thirty (30) day cooling-off period, we will refund any premiums paid since commencement or renewal, less any reasonable administrative and other transaction costs incurred by us, which we are unable to recover and any taxes or duties that we are unable to refund. You cannot return your policy if a claim has been made or other right exercised under the policy.

If you cancel the policy after the cooling off period and you have paid the annual premium in full, provided no claim has been made or other right exercised under the policy, we will refund the premium less an amount that covers the period for which your Pet was insured and any cancellation or statutory fees.

If you cancel your policy for whatever reason (other than your Pet passing away) after having made a claim, no premium refunds are payable and the remaining premium for that Policy Period must be paid. Any outstanding premium may be deducted from any claim payment owed, or alternatively, charged to your nominated bank/credit card account. This clause survives termination of this contract.

7.2 Cancellation by us

We may cancel your policy where the law allows us to do so or where we have been notified that your pet has passed away. If we cancel your policy, we will refund any money we owe you less any non-refundable statutory fees. If we cancel your policy due to fraud, we will not refund any money to you.

For more information about cancellations refer to Section 6- 'Premiums' on page 27.

Section 8: Claims

8.1 – What you need to do

All claims must be completed carefully and honestly and can be submitted online or by post. If submitting a claim by post claim forms are available on request by calling 1300 855 663 or can be downloaded from www.petinsurance.com.au. The table below sets out the procedure when submitting a claim.

How to make a claim

All claims (online and post)

1. All claims must include itemised tax invoice/s, payment receipt/s and applicable consultation notes. If submitting a claim by post all claim documentation must be originals and must be accompanied by a completed claim form. Incomplete claim forms will be returned to you and this may result in a delay in processing your claim. We recommend that you retain copies of all documentation for your records.
2. If submitting a claim for the first time, please include a full veterinary history from the attending Vet and any previous Vets who have treated your Pet. Failure to include this may result in delays in processing your claim.
3. All claims should be submitted to us and received within ninety (90) days of the relevant Treatment being provided and all accounts must be paid in full prior to submission of your claim.
4. You agree that your Vet (current or previous) is authorised to release information and/or records to us about your Pet.
5. You agree that we are authorised to discuss with the Vet, details relating to your claim or Treatment provided to your Pet in relation to a claim made under the policy.
6. You agree that we have the right to decline to process a claim where you or your Vet refuse or are unable to provide information reasonably requested by us in order to process your claim.
7. We will not reimburse you for the provision of any information required in the purchase and administration of the policy nor for the assistance provided to you in the completion of any forms relating to the policy including the provision of any information in relation to a claim made under this policy.

If submitting a claim by post

8. The attending Vet must complete all sections on the claim form where designated and both you and the attending Vet must sign the claim form.

If submitting a claim online

9. If your Vet has agreed to submit your claim electronically on your behalf, you agree we are authorised to receive each such claim submitted.

8.2 What we will do

1. We will deal directly with you regarding settlement of the claim.
2. We will pay you, not the Vet.
3. If the Vet Expenses:
 - a) are considered by us to be excessive or unreasonable; or
 - b) are higher than the Vet Expenses normally charged by a general or referral practice; or
 - c) in our opinion may not be required; or
 - d) are regarded to be excessive when compared with the Treatment normally recommended to treat the same Condition by general or referral practices;

then claim payments will be adjusted and paid based on the reasonable and customary Treatment or fees typically charged for the Treatment of that Condition. We reserve the right to request a second opinion from a Vet that we choose. If the Vet we choose does not agree that the Treatment provided or fees charged were reasonable, we may decide to pay only the cost of the Treatment that was necessary and/or reasonable to treat the Condition (as advised by the Vet from whom we have requested the second opinion).

4. We will send you a letter/remittance advice regarding the settlement of your claim that will provide details of how your claim has been dealt with.
5. If you submit a fraudulent claim, or solicit your Vet to behave in a fraudulent manner regarding a claim, then the claim may be denied and we may cancel your policy altogether. We may also be entitled to reclaim any payments already made to you in respect of such claims.
6. When we settle your claim, we reserve the right to deduct from the benefit amount any amount due to us.
7. In the event that we pay a benefit contrary to the Policy Terms and Conditions for whatever reason, this will not constitute a waiver retrospectively as they stand to any paid claims or to any future claims for that or any Related Condition. We also reserve our right to recover from you any benefit amount received by you as a result of such error.

8.3 Examples of how we settle your claim

The following calculations provide examples of how claims will be settled where Cover is provided (these examples are indicative of the manner of calculation only and include GST):

Example

80% Benefit Percentage	
Total amount of eligible Expenses paid by you to the Vet	\$2,000
Total amount claimable after 80% Benefit Percentage applied	\$1,600
Total payment	\$1,600

8.4 Our rights of recovery

If we have the right to recover any amount payable under the policy in relation to a claim from any other person, you must cooperate with us in any action we may take.

8.5 Other insurance arrangements

If we accept your claim and there is any other similar insurance under which you are entitled to claim, you are required to advise us at the time you submit your claim if you hold such other insurance. Total benefits paid to you across all insurance cannot exceed your actual expenses.

Section 9: Direct Debit Request

When you provide us with your bank details, you are instructing us to directly debit the relevant premiums calculated by us from your nominated account.

If your premium cannot be paid (for example there is not enough money in your nominated account) your bank may dishonour that payment, and you may be charged a dishonour fee by your bank. Neither Hollard, Pet Insurance Pty Ltd nor PetSure will be responsible for dishonour fees charged by your bank or financial institution. If your direct debit is dishonoured we will automatically retry for the outstanding amount within fourteen (14) days, and you may be charged a dishonour fee by PetSure.

If you have concerns about the operation of the direct debit authority or you subsequently need to change any aspects of the authority, please notify us.

Section 10: General Information

10.1 Changing level of Cover

If you opt to transfer your Pet to a level of Cover with higher or additional benefits (including but not limited to a higher Benefit Percentage) then the additional or higher benefits will not apply to claims for Conditions first noted, diagnosed, or treated prior to the policy upgrade. In such cases, benefits will be restricted to the lesser of the maximum benefits payable under the:

- a) current level of Cover; or
- b) policy that applied during the Policy Period in which such condition(s) was/were first noted, diagnosed, or treated.

For the sake of clarity, maximum benefits referenced in this section include taking the following factors into consideration:

- the policy Benefit Limit;
- applicable sub-limits;
- applicable Benefit Percentage; and
- any applicable policy exclusions.
